You have the right to receive copies of any clinical review criteria we used to make at any adverse determination. For adverse determinations, the treating provider has a right to request Reconsideration. This will be conducted within one working day of the request, between the treating provider and the reviewing provider, or a peer if the reviewing provider is unavailable during the required timeframe.

I. Definitions

"Grievance" means a written complaint submitted by or on your behalf regarding:

1. the availability, delivery, or quality of health care services, including a complaint regarding an adverse determination made pursuant to utilization review;
2. benefits or claims payment, handling, or reimbursement for health care services; or
3. matters pertaining to the contractual relationship between you and us.

III. Levels of Appeals Review for Grievances Concerning Adverse Determinations

The following levels of review are available:

A. Standard Appeal

Appeals will be evaluated by an appropriate clinical peer or peers. The clinical peer(s) will not have been involved in the initial adverse determination, unless new information is provided that had been unavailable at the time of the original decision.

Written notification of the appeal review decision will be made within 20 working days following the request for an appeal. Additional time is permitted where we can establish that the 20-day time frame cannot reasonably be

met due to the inability to obtain all necessary information. Request for delay will be sent to you and the attending provider. In such instances, decisions will be issued within 20 days of our receipt of all necessary information.

The written decision will contain the following:

1. Names, titles and qualifying credentials of the person or persons evaluating the appeal;
2. A statement of the reviewer's understanding of the reason for the appeal;
3. The reviewer's decision in clear terms and the rationale in sufficient detail for you to respond further, if necessary;
4. A reference to the clinical review criteria used to make the determination and instructions for requesting copies of such criteria; and
5. Notice of the right to subsequent appeal rights as well as right to request an external review.

B. Second Level Reviews

In any case where the standard appeal review process does not resolve a difference of opinion between us, a written grievance may be submitted and we will review it as a second level grievance.

A second level review panel will review the second level grievance. A majority of the panel will be comprised of health care professionals who are clinical peers and who were not previously involved in the grievance.

The review panel will hold a review meeting within 45 working days after receiving a request for a second level review. You will be notified 15 working days in advance of the review date. Upon your request, we will provide you all relevant information that is not confidential or privileged.

You have the right to attend the second level review, present your case to the review panel, submit supporting material both before and at the review meeting, ask us questions and be assisted or represented by a person your choice. If you can't attend in person, you may communicate with the review panel, at our expense, by conference call, video conferencing or other available technology.

The review panel will provide a written decision within 5 business days of the review meeting. The decision notice will include information about your right to request an external review.

C. Expedited Reviews

Expedited Reviews are available to you or a provider acting on your behalf for any appeals involving a situation whether the time frame of the standard review procedures would seriously jeopardize your life, health, or ability to regain maximum function. The appeal decision will be communicated telephonically within 72 hours of the request for the expedited appeal and written confirmation will be provided within 2 working days after the decision.

D. External Review - In accordance with 24-A M.R.S.A. 4312

You, or your authorized representative, have a right to request an independent external review of an adverse determination. Except for those situations which would require an expedited external review, you may not make a request for external review until you have exhausted all levels of the internal grievance process. (Individual policyholders can request an external review after completing the first level of internal review.)

The request must be made within 12 months of date you received the final adverse determination from us. Requests are made to the Maine Bureau of Insurance. There is no charge for the filing of the request for external review. Our Quality Control Department is available to assist you. Please call 1-877-897-4328 or fax 1-402-309-2579.

You may ask for or submit information related to the benefit under review, attend the external review, and ask questions of our representative at the review. If you wish to use any outside assistance for the review process, you will incur that expense yourself.

E. Expedited External Review

A covered person is not required to exhaust all levels of the internal grievance process before filing a request for external review if:

1. We have failed to make a decision on an internal grievance within the time period required;
2. We have mutually agreed to by-pass the internal grievance process;
3. The life or health of the insured is in serious jeopardy; or
4. The insured has died.

IV. Review Procedures for Grievances Concerning Matters Other than an Adverse Determination

The following review will be available to a covered person concerning any matter except an adverse determination. For these types of grievances, refer to Item III. above.

A written grievance concerning any matter should be submitted to the address shown in Item II. above. There is no right to attend, or to have a representative attend this type review. We will notify you within 3 working days of our receipt of the grievance and the name, address and telephone number of the person who is coordinating the grievance review.

Written notification of the grievance review decision will be made within 20 working days of your request. We may need additional time to gather necessary information and will send a request for such a delay to you and the treating provider. Decisions will be issued within 20 days of the receipt of all necessary information.

The written decision will contain the following:

1. Names, titles and qualifying credentials of the person or persons conducting the review;
2. A statement of the reviewer's understanding of the reason for the grievance;
3. The reviewer's decision in clear terms and the basis for the decision;

- c. for whom the insurance has become effective.

DOMESTIC PARTNER. Refers to two unrelated individuals who share the necessities of life, live together, and have an emotional and financial commitment to one another, similar to that of a spouse.

CHILD. Child refers to the child of the Insured, a child of the Insured's spouse or a child of the Insured's Domestic Partner, if they otherwise meet the definition of Dependent.

DEPENDENT refers to:

- a. an Insured's spouse or Domestic Partner.
- b. each unmarried child less than 26 years of age, for whom the Insured, the Insured's spouse, or the Insured's Domestic Partner is legally responsible, including natural born children, adopted children from the date of placement for adoption, and children covered under a Qualified Medical Child Support Order as defined by applicable Federal and State laws.
- c. each unmarried child age 26 or older who is Totally Disabled and becomes Totally Disabled as defined below while insured as a dependent under b. above. Coverage of such child will not cease if proof of dependency and disability is given within 31 days of attaining the limiting age and subsequently as may be required by us but not more frequently than annually after the initial two-year period following the child's attaining the limiting age. Any costs for providing continuing proof will be at our expense.

TOTAL DISABILITY describes the Insured's Dependent as:

1. Continuously incapable of self-sustaining employment because of mental retardation or physical handicap; and
2. Chiefly dependent upon the Insured for support and maintenance.

DEPENDENT UNIT refers to all of the people who are insured as the dependents of any one Insured.

PROVIDER refers to any person who is licensed by the law of the state in which treatment is provided within the scope of the license.

PARTICIPATING AND NON-PARTICIPATING PROVIDERS. A Participating Provider is a Provider who has a contract with Us to provide services to Insureds at a discount. A Participating Provider is also referred to as a "Network Provider". The terms and conditions of the agreement with our network providers are available upon request. Members are required to pay the difference between the plan payment and the Participating Provider's contracted fees for covered services. A Non-Participating Provider is any other provider and may also be referred

to as an “Out-of-Network Provider.” Members are required to pay the difference between the plan payment and the provider’s actual fee for covered services. Therefore, the out-of-pocket expenses may be lower if services are provided by a Participating Provider.

PLAN EFFECTIVE DATE refers to the date coverage under the policy becomes effective. The Plan Effective Date for the Policyholder is shown on the policy cover. The effective date of coverage for an Insured is shown in the Policyholder's records.

All insurance will begin at 12:01 A.M. on the Effective Date. It will end after 11:59 P.M. on the Termination Date. All times are stated as Standard Time of the residence of the Insured.

PLAN CHANGE EFFECTIVE DATE refers to the date that the policy provisions originally issued to the Policyholder change as requested by the Policyholder. The Plan Change Effective date for the Policyholder will be shown on the policy cover, if the Policyholder has requested a change. The plan change effective date for an Insured is shown in the Policyholder’s records or on the cover of the certificate.

CONDITIONS FOR INSURANCE COVERAGE

ELIGIBILITY

ELIGIBLE CLASS FOR MEMBERS. The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any eligible employee electing the VSP plan working at least 30 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

ANNUAL ENROLLMENT SWITCH PERIOD. An Annual Enrollment Switch Period for the eye care plans will be held each December to be effective January 1 to allow members to move from one eligible eye care Class to another eligible eye care Class. However, if a member terminates from the eye care Class they have elected, they are not eligible to re-enroll within an eligible eye care Class until the next Annual Enrollment Switch Period.

If both Members, and if either of them insures their dependent children, then the spouse, whoever elects, will be considered the dependent of the other. As a dependent, the person will not be considered a Member of the Eligible Class, but will be eligible for insurance as a dependent.

ELIGIBLE CLASS FOR DEPENDENT INSURANCE. Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the latest of:

1. the day he or she qualifies for coverage as a Member;
2. the day he or she first becomes a Member; or
3. the day he or she first has a dependent. For dependent children, a newborn child will be considered an eligible dependent upon reaching their 2nd birthday. The child may be added at birth or within 31 days of the 2nd birthday.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any eligible employee electing the VSP plan working at least 30 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Any spouse who elects to be a dependent rather than a member of the Eligible Class for Personal Insurance, as explained above, is not a member of the Eligible Class for Dependent Insurance.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

CONTRIBUTION REQUIREMENTS. Member Insurance: An Insured is required to contribute to the payment of his or her insurance premiums.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

SECTION 125. This plan is provided as part of the Employer's Section 125 Plan. Each Member has the option under the Section 125 Plan of participating or not participating in this plan.

If a Member does not elect to participate when initially eligible, the Member may elect to participate at a subsequent Election Period. This Election Period will be held each year and those who elect to participate in this plan at that time will have their coverage become effective on January 1.

Members may change their election option only during an Election Period, except for a change in family status. Such events would be marriage, divorce, birth of a child, death of a spouse or child, or termination of employment of a spouse.

ELIGIBILITY PERIOD. For Members on the Plan Effective Date of the policy, coverage is effective immediately.

For persons who become Members after the Plan Effective Date of the policy, no eligibility period is required.

OPEN ENROLLMENT. If a Member does not elect to participate when initially eligible, the Member may elect to participate at the Policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

EFFECTIVE DATE. Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.
2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.

EXCEPTIONS. If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

Any person who is not in active service or is totally disabled will be insured on the Effective Date if:

- a. the person was insured under the policy of group insurance providing like benefits at any time during the 90 days before the Effective Date of this policy; and

- b. the person is considered a Member under this policy and was a Member under a prior policy.

TERMINATION DATES

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

The insured has the right to designate a third party to receive notice of cancellation. The insured may reinstate the policy if the insured suffers from organic brain disease and the ground for cancellation was the insured's nonpayment of premium or other lapse or default on the part of the insured. At least 10 calendar days before cancellation of the contract or certificate, in addition to giving notice to the insured, We will give notice of pending cancellation to the designated third party, if any, at the last address(es) provided.

DEPENDENTS. The insurance for all of an Insured's dependents will automatically terminate on the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the day before the date on which the dependent no longer meets the definition of a dependent. See "Definitions."

CONTINUATION OF COVERAGE. If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

Injury or Sickness For Certain Dependents

Coverage will continue for a covered Dependent student (see Definition of Dependent on 9060) if the student is unable to remain enrolled in school on a full-time basis due to a mental or physical illness or an accidental injury, provided, however, that nothing in this provision shall require coverage of a dependent student beyond the age at which coverage would otherwise terminate. We may require written documentation from a health care provider and the student's school verifying that the student is no longer enrolled full-time as a result of such mental or physical illness or accidental injury.

COORDINATION OF BENEFITS

This section applies if an Insured person has eye care coverage under more than one Plan definition below. All benefits provided under this policy are subject to this section.

EFFECT ON BENEFITS. The Order of Benefit Determination rules below determine which Plan will pay as the primary Plan. If all or any part of an Allowable Expense under this Plan is an Allowable Expense under any other Plan, then benefits will be reduced so that, when they are added to benefits payable under any other Plan for the same service or supply, the total does not exceed 100% of the total Allowable Expense.

If another Plan is primary and this Plan is considered secondary, the amount by which benefits have been reduced during the Claim Determination Period will be used by us to pay the Allowable Expenses not otherwise paid which were incurred by you in the same Claim Determination Period. We will determine our obligation to pay for Allowable Expenses as each claim is submitted, based on all claims submitted in the current Claim Determination Period.

DEFINITIONS. The following apply only to this provision of the policy.

1. "Plan" refers to the group policy and any of the following plans, whether insured or uninsured, providing benefits for eye care services or supplies:
 - a. Any group or blanket insurance policy.
 - b. Any group Blue Cross, group Blue Shield, or group prepayment arrangement.
 - c. Any labor/management, trustee plan, labor organization, employer organization, or employee organization plan, whether on an insured or uninsured basis.
 - d. Any coverage under a governmental plan that allows coordination of benefits, or any coverage required or provided by law. This does not include a state plan under Medicaid (Title XVIII and XIX of the Social Security Act as enacted or amended). It also does not include any plan whose benefits by law are excess to those of any private insurance program or other non-governmental program.
2. "Plan" does **not** include the following:
 - a. Individual or family benefits provided through insurance contracts, subscriber contracts, coverage through individual HMOs or other prepayment arrangements.
 - b. Coverages for school type accidents only, including athletic injuries.
3. "Allowable Expense" refers to any necessary, reasonable and customary item of expense at least a portion of which is covered under at least one of the Plans covering the Insured person for whom that claim is made. When a Plan provides services rather than cash payments, the reasonable cash value of each service will be both an Allowable Expense and a benefit paid. Benefits payable under another Plan include benefits that would have been payable had a claim been made for them.
4. "Claim Determination Period" refers to a Benefit Period, but does not include any time during which a person has no coverage under this Plan.
5. "Custodial Parent" refers to a parent awarded custody of a minor child by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

ORDER OF BENEFIT DETERMINATION. When two or more Plans pay benefits, the rules for determining the order of payment are as follows:

1. A Plan that does not have a coordination of benefits provision is always considered primary and will pay benefits first.
2. If a Plan also has a coordination of benefits provision, the first of the following rules that describe which Plan pays its benefits before another Plan is the rule to use:

- a. The benefits of a Plan that covers a person as an employee, member or subscriber are determined before those of a Plan that covers the person as a dependent.
- b. If a Dependent child is covered by more than one Plan, then the primary Plan is the Plan of the parent whose birthday is earlier in the year if:
 - i. the parents are married;
 - ii. the parents are not separated (whether or not they ever have been married); or
 - iii. a court decree awards joint custody without specifying that one party has the responsibility to provide Eye Care coverage.

If both parents have the same birthday, the Plan that covered either of the parents longer is primary.

- c. If the Dependent child is covered by divorced or separated parents under two or more Plans, benefits for that Dependent child will be determined in the following order:
 - i. the Plan of the Custodial Parent;
 - ii. the Plan of the spouse of the Custodial Parent;
 - iii. the Plan of the non-Custodial Parent; and then
 - iv. the Plan of the spouse of the non-Custodial Parent.

However, if the specific terms of a court decree establish a parent's responsibility for the child's Eye Care expenses and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Claim Determination Periods or Benefit Periods commencing after the Plan is given notice of the court decree.

- d. The benefits of a Plan that cover a person as an employee who is neither laid-off nor retired (or as that employee's dependent) are determined before those of a Plan that covers that person as a laid-off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
- e. If a person whose coverage is provided under a right of continuation provided by a federal or state law also is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.
- f. The benefits of a Plan that has covered a person for a longer period will be determined first.

If the preceding rules do not determine the primary Plan, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan under this provision. In addition, this Plan will not pay more than what it would have paid had it been primary.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION. We may without your consent and notice to you:

1. Release any information with respect to your coverage and benefits under the policy; and
2. Obtain from any other insurance company, organization or person any information with respect to your coverage and benefits under another Plan.

You must provide us with any information necessary to coordinate benefits.

FACILITY OF PAYMENT. When other Plans make payments that should have been made under this Plan according to the above terms, we will, at our discretion, pay to any organizations making these payments any amounts that we decide will satisfy the intent of the above terms. Amounts paid in this way will be benefits paid under this Plan. We will not be liable to the extent of these payments.

RIGHT OF RECOVERY. When we make payments for Allowable Expenses in excess of the amount that will satisfy the intent of the above terms, we will recover these payments, to the extent of the excess, from any persons or organizations to or for whom these payments were made. The amount of the payments made includes the reasonable cash value of any benefits provided in the form of services.

GENERAL PROVISIONS

NOTICE OF CLAIM. Written notice of a claim must be given to us within 90 days after the incurred date of the services provided for which benefits are payable.

Notice must be given to us at our Home Office, or to one of our agents. Notice should include the Policyholder's name, Insured's name, and policy number. If it was not reasonably possible to give written notice within the 90 day period stated above, we will not reduce or deny a claim for this reason if notice is filed as soon as is reasonably possible.

CLAIM FORMS. When we receive the notice of a claim, we will send the claimant forms for filing proof of loss. If these forms are not furnished within 15 days after the giving of such notice, the claimant will meet our proof of loss requirements by giving us a written statement of the nature and extent of loss within the time limit for filing proofs of loss.

PROOF OF LOSS. Written proof of loss must be given to us within 90 days after the incurred date of the services provided for which benefits are payable. If it is impossible to give written proof within the 90 day period, we will not reduce or deny a claim for this reason if the proof is filed as soon as is reasonably possible. For Eye Care benefits that use either the EyeMed or VSP network, please refer to the limitations section on the Eye Care Expense Benefits page.

TIME OF PAYMENT. We will pay all benefits within 30 days after proof of loss is received. Any balance remaining unpaid at the end of any period for which we are liable will be paid at that time.

PAYMENT OF BENEFITS. Participating Providers have agreed to accept assignment of benefits for services and supplies performed or furnished by them. When a Non-Participating Provider performs services, all benefits will be paid to the Insured unless otherwise indicated by the Insured's authorization to pay the Non-Participating Provider directly.

FACILITY OF PAYMENT. If an Insured or beneficiary is not capable of giving us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then we may, at our option, pay the benefit up to an amount not to exceed \$5,000, to any relative by blood or connection by marriage of the Insured who is considered by us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release us from liability to the extent of payment.

PROVIDER-PATIENT RELATIONSHIP. The Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of their license. We will in no way disturb the provider-patient relationship.

LEGAL PROCEEDINGS. No legal action can be brought against us until 60 days after the Insured sends us the required proof of loss. No legal action against us can start more than three years after proof of loss is required.

INCONTESTABILITY. Any statement made by the Policyholder to obtain the Policy is a representation and not a warranty. No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Policy unless:

1. The Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder a copy of a written instrument signed by the Policyholder that contains the misrepresentation.

The validity of the Policy will not be contested after it has been in force for one year, except for nonpayment of premiums or fraudulent misrepresentations.

WORKER'S COMPENSATION. The coverage provided under the Policy is not a substitute for coverage under a workmen's compensation or state disability income benefit law and does not relieve the Policyholder of any obligation to provide such coverage.

D. **Claims For Benefits**

Claims procedures are furnished automatically, without charge, as a separate document.

E. **Continuation of Coverage Provisions (COBRA)**

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) gives Qualified Beneficiaries the right to elect COBRA continuation after insurance ends because of a Qualifying Event. The law generally covers group health plans maintained by employers with 20 or more employees in the prior year. The law does not, however, apply to plans sponsored by the Federal government and certain church-related organizations.

i. **Definitions For This Section**

Qualified Beneficiary means an Insured Person who is covered by the plan on the day before a qualifying event. Any child born to or placed for adoption with a covered employee during the period of COBRA coverage is considered a qualified beneficiary.

A Qualifying Event occurs when:

1. The Member dies (hereinafter referred to as Qualifying Event 1);
2. The Member's employment terminates for reasons other than gross misconduct as determined by the Employer (hereinafter referred to as Qualifying Event 2);
3. The Member's work hours fall below the minimum number required to be a Member (hereinafter referred to as Qualifying Event 3);
4. The Member becomes divorced or legally separated from a Spouse (hereinafter referred to as Qualifying Event 4);

5. The Member becomes entitled to receive Medicare benefits under Title XVII of the Social Security Act (hereinafter referred to as Qualifying Event 5);
6. The Child of a Member ceases to be a Dependent (hereinafter referred to as Qualifying Event 6);
7. The Employer files a petition for reorganization under Title 11 of the U.S. Bankruptcy Code, provided the Member is retired from the Employer and is insured on the date the petition is filed (hereinafter referred to as Qualifying Event 7).

ii. Electing COBRA Continuation

- A. Each Qualified Beneficiary has the right to elect to continue coverage that was in effect on the day before the Qualifying Event. The Qualified Beneficiary must apply in writing within 60 days of the later of:
 1. The date on which Insurance would otherwise end; and
 2. The date on which the Employer or Plan Administrator gave the Qualified Beneficiary notice of the right to COBRA continuation.
- B. A Qualified Beneficiary who does not elect COBRA Continuation coverage during their original election period may be entitled to a second election period if the following requirements are satisfied:
 1. The Member's Insurance ended because of a trade related termination of their employment, which resulted in being certified eligible for trade adjustment assistance;
 2. The Member is certified eligible for trade adjustment assistance (as determined by the appropriate governmental agency) within 6 months of the date Insurance ended due to the trade related termination of their employment; and
 3. The Qualified Beneficiary must apply in writing within 60 days after the first day of the month in which they are certified eligible for trade adjustment assistance.

iii. Notice Requirements

1. When the Member becomes insured, the Plan Administrator must inform the Member and Spouse in writing of the right to COBRA continuation.
2. The Qualified Beneficiary must notify the Plan Administrator in writing of Qualifying Event 4 or 6 above within 60 days of the later of:
 - a. The date of the Qualifying Event; or
 - b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.

3. A Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, must notify the Plan Administrator of the disability in writing within 60 days of the later of:
 - a. The date of the disability determination;
 - b. The date of the Qualifying Event; or
 - c. The date on which the Qualified Beneficiary loses coverage due to the Qualifying Event.
4. Each Qualified Beneficiary who has become entitled to COBRA continuation with a maximum duration of 18 or 29 months must notify the Plan Administrator of the occurrence of a second Qualifying Event within 60 days of the later of:
 - a. The date of the Qualifying Event; or
 - b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.
5. The Employer must give the Plan Administrator written notice within 30 days of the occurrence of Qualifying Event 1, 2, 3, 5, or 7.
6. Within 14 days of receipt of the Employer's notice, the Plan Administrator must notify each Qualified Beneficiary in writing of the right to elect COBRA continuation.

In order to protect your rights, Members and Qualified Beneficiaries should inform the Plan Administrator in writing of any change of address.

iv. COBRA Continuation Period

1. 18-month COBRA Continuation

Each Qualified Beneficiary may continue Insurance for up to 18 months after the date of Qualifying Event 2 or 3.

2. 29-month COBRA Continuation

Each Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, may continue coverage for up to 29 months after the date of the Qualifying Event. All Insured Persons in the Qualified Beneficiary's family may also continue coverage for up to 29 months.

3. 36-Month COBRA Continuation

If you are a Dependent, you may continue Coverage for up to 36 months after the date of Qualifying Event 1, 4, 5, or 6. Each Qualified Beneficiary who is entitled to continue Insurance for 18 or 29 months may be eligible to continue coverage for up to 36 months after the date of their original Qualifying Event if a second Qualifying Event occurs while they are on continuation coverage.

Note: The total period of COBRA continuation available in 1 through 3 will not exceed 36 months.

4. COBRA Continuation For Certain Bankruptcy Proceedings

If the Qualifying Event is 7, the COBRA continuation period for a retiree or retiree's Spouse is the lifetime of the retiree. Upon the retiree's death, the COBRA continuation period for the surviving Dependents is 36 months from the date of the retiree's death.

v. **Premium Requirements**

Insurance continued under this provision will be retroactive to the date insurance would have ended because of a Qualifying Event. The Qualified Beneficiary must pay the initial required premium not later than 45 days after electing COBRA continuation, and monthly premium on or before the Premium Due Date thereafter. The monthly premium is a percentage of the total premium (both the portion paid by the employee and any portion paid by the employer) currently in effect on each Premium Due Date. The premium rate may change after you cease to be Actively at Work. The percentage is as follows:

18 month continuation - 102%

Eye Care 29 month continuation - 102% during the first 18 months, 150% during the next 11 months

36 month continuation - 102%

vi. **When COBRA Continuation Ends**

COBRA continuation ends on the earliest of:

1. The date the Group Policy terminates;
2. 31 days after the date the last period ends for which a required premium payment was made;
3. The last day of the COBRA continuation period.
4. The date the Qualified Beneficiary first becomes entitled to Medicare coverage under Title XVII of the Social Security Act;
5. The first date on which the Qualified Beneficiary is: (a) covered under another group Eye Care policy and (b) not subject to any preexisting condition limitation in that policy.

F. Your Rights under ERISA

As a participant in this Plan, you are entitled to certain rights and protections under the Employment Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to operate and administer this plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Rights

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and

responsibilities under ERISA by calling those publications hotline of the Employee Benefits Security Administration
