The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u> . The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-340-5487. For general definitions of common terms, such as <u>allowed amount</u> , <u>balance billing</u> , <u>coinsurance</u> , <u>copayment</u> , <u>deductible</u> , <u>provider</u> or other <u>underlined</u> terms see the Glossary. You may view the Glossary at healthcare.gov/sbc-glossary or call 1-888-340-5487 to request a copy.			
Important Questions	Answers	Why This Matters:	
What is the overall <u>deductible</u> ?	In-networkSingle Plan: \$2,700 employee Family Plan: \$5,600 employee & family Healthcare Excellence Hubs <u>Deductible</u> — Single Plan: \$1,600 employee Family Plan: \$3,200 employee & family Out-of-NetworkSingle Plan: \$5,400 employee Family Plan: \$11,200 employee & family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. Boston Hospital Benefit <u>Deductible</u> applies per visit and accumulates to the In- Network Calendar Year <u>Deductible</u>	
Are there services covered before you meet your <u>deductible?</u>	Yes. In-network <u>preventive services</u> and routine vision exams are some of the services covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See list of covered <u>preventive services</u> at healthcare.gov /coverage/preventive-care-benefits.	
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In-networkSingle Plan: \$5,600 employee Family Plan: \$5,600 person/\$11,000 family Out-of-networkSingle Plan: \$11,200 employee Family Plan: \$11,200 person/\$22,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> is met.	
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance billing</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .	
Will you pay less if you use a <u>network provider</u> ?	Yes. See hpiTPA.com or call 1-888-340-5487 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You pay less if you use a <u>provider</u> in the <u>plan's network</u> . You pay the most if you use an <u>out-of-network provider</u> and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network</u> <u>provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.	
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You may see a <u>specialist</u> you choose without a <u>referral</u> .
